Commander VK Jaitly, 2015. Soft cover. Book Condition: New. 22 cms. 164pp. This book can be considered as a ;Self Help Book; that can take you to the great heights that you had dreamt off in your childhood or at some stage in your life. The title of the book ;We Can! We Can!; itself gives you a lot of energy, enthusiasm and energy. If you don;t believe me, just look at the title and shout three times at the top of your voice, ;We Can! We Can!; and see the miracle will start working in your life. Don;t get into the process of analysing why ;We; and why not ;; in the title. Too much of ;; ;Me; ;My; may lead you to a certain level but ultimately it is ;We; that does the wonder. An individual is a very small speck in this universe. Any individual, however great and intelligent s/he may be, can never aspire to do great things without a team work. So here it comes the importance of ;We; and therefore the title ;We Can! We Can!;. This book can actually change the course of your life. I have given a large number of motivational talks titled ;We Can! We Can!; to a highly diverse audience in the corporate, in colleges and universities and even to senior students of schools. I had the opportunity of giving these motivational talks to workers, industrialists, doctors, engineers, professors, teachers, management experts and even large family gatherings. The response everywhere was overwhelming. The feedback, I got was like an elixir for me and that further motivated me. I was convinced that I was on the right track. Sometimes a few members from the audience asked me if I had written a book on the subject. That is what triggered...
