There are so many toys on the market. There are so many things that move, fly, light up and do all sorts of tricks. There are state of the art toys with all sorts of bells and whistles. Sometimes we forget that we were born with the most valuable toy of all. That toy doesn't need batteries or to be charged before being used. That toy is right there at our fingertips. That toy, is our imagination. JJs Favorite Toy, teaches us that something as simple as a stick, can transport us to new worlds. The only limitations this toy has, is our own mind and imagination. In JJs Favorite Toy, JJ cannot wait to go out to play. He spends his morning traveling the ocean, battling dinosaurs and looking for treasure, all without even leaving his backyard. This book reminds us that it does not take money and riches to have a good time. All it takes, is a child's vivid imagination. This item ships from La Vergne, TN. Paperback.
