## The Dragons of Expectation: Reality and Delusion in the Course of History (Paperback)

By Robert Conquest

WW Norton Co, United States, 2006. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The publication of The Dragons of Expectation in 2005 reaffirmed Robert Conquest's stature as a leading intellectual and one of the world's great humanists. In the tradition of Isaiah Berlin's *The Crooked Timber of Humanity* and George Orwell's *Essays*, this book brilliantly traces how seductive ideas have come to corrupt modern minds; to often disastrous effects. In what Publishers Weekly called a frontal assault on the pieties of the left, Conquest masterfully examines how false nostrums have infected academia, politicians, and the public, showing how their reliance on isms and the destructive concepts of People, Nation, and Masses have resulted in a ruinous cycle of turbulence and war. Including fresh analyses of Russia's October Revolution, World War II, and the Cold War, *The Dragons of Expectation* is one of the most important contributions to modern thought in recent years.

### Reviews

*Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.*

-- Joshua Gerhold PhD

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.*

-- Meagan Roob
