## THE HUNT FOR BIN LADEN: TASK FORCE DAGGER

DOWNLOAD

Random House, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "As the [al-Qaida terrorists] charged one wall, three Green Berets leaned over the parapets, oblivious to the enemy small-arms fire that was cracking by their heads and shoulders. " 'Focus, squeeze, focus, squeeze,' they recited quietly. . . . Each time . . . the lifeless body [of an al-Qaida terrorist] would snap back through the desert air and drop onto the sandy courtyard." The war in Afghanistan was the most secret conflict since the CIA's covert war in Laos; thousands of journalists covered it, yet, ironically, little is known about how it was waged or what really happened until now. The Hunt for bin Laden plunges the reader into America's War on Terror, from the first top-secret meetings of TASK FORCE DAGGER in Tampa on the afternoon of September 11, 2001, through the liberation of Kabul sixty-two days later and the tragedies of OPERATION ANACONDA. The book takes the reader into the heat of battle as seen through the eyes of the Green Berets on the ground. This is the story of how only a few hundred men, operating from a secret Special Forces base, changed the course of history in Central Asia and destroyed a hundred-thousand-man terrorist army in less than ninety days. Action-packed and controversial, The Hunt for bin Laden is teeming with revelations and inside information: the truth about John Walker Lindh and Mike Spann; the failure of the "conventional" generals; the courage of the Northern Alliance; the wounding and murder of journalists; and the flaws and frustrations of the hunt for bin Laden himself. In mid-December 2001, Robin Moore arrived in Afghanistan, where he joined his old friends, whom he had celebrated thirty-five years earlier in his book *The Green Berets* and who...
