## DADDITUDE: HOW A REAL MAN BECAME A REAL DAD (HARDBACK)

INGRAM PUBLISHER SERVICES US, United Kingdom, 2007. Hardback. Condition: New. Language: English . Brand New Book. This is a funny fatherhood memoir that chronicles how a real man learned to become a real dad without giving up his real manhood. A fresh take on the foibles, pratfalls, and occasional successes of fatherhood, Dadditude is a rollicking new twist on the daddy book . Lerman, an older dad, spins a yarn about his trek from producing America s Most Wanted - one of America s longest-running network television shows - to tackling one of the longest-running jobs known to man: full-time parenthood. Going in, Lerman believes that mums are like God - most of their important work is done in the first week, so, after that, they can rest on their laurels. Dads, on the other hand, he figures, are the Avis rent-a-cars of parenthood, always trying harder. But surprise: Even his many years of highly structured management experience have left him unprepared for the chaos that awaits him. Ultimately, Lerman learns that good parenting isn t about your gender and that controlling your child is, paradoxically, a matter of learning to let go. By turns poignant and hilarious, Dadditude shows that in the process of almost losing your mind, you can find your heart.
