50 Interviews Inc. Paperback. Condition: New. 122 pages. Dimensions: 8.9in. x 5.9in. x 0.4in. In his new book **Feel Younger - Now**, author Don McGrath, Ph. D. shares how he discovered the secret to losing weight, becoming fit, and improving energy, for people who have tried and failed many times in the past. He also shares a proven step-by-step solution, and includes access to training materials and tools that go way beyond what you expect to get from any book. From the lessons I learned from both athletes and non-athletes, I discovered the secret to losing weight and getting fit. A very unique aspect of **Feel Younger - Now!**, is that it includes links to resources that compliment the book and provide valuable tools and training. Before writing **Feel Younger - Now**, I created the **21 Days 7 Habits Training Program**, which provides training and tools for building the 7 habits outlined in the book. I really feel like this is much more than a book. It is everything that anyone needs to make the changes in their life that are required to feel younger now!
