Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The old adage says: if you stand at New York s Times Square long enough, the whole world will walk by. A short story deals with a tiny slice of life on a local scale but can, like a hologram, contain the big picture or illustrate universal themes. These ten stories have backgrounds that range from India to small-town America to Italy and even, in the case of Enigma, to outer space. In December 2012, a violent incident on the outskirts of Delhi traumatized a nation and triggered an outpouring of soul searching. A young woman and her male companion were attacked in a bus. The man was beaten with a metal bar and left incapacitated while the girl was brutally raped and then seriously injured in a frenzy of bloodlust as an aftermath of lust. The case attracted wide media attention and struck a chord in the hearts of millions of urban middle class who were shocked that such a thing could happen to one of their own kind. When the girl died of her injuries thirteen days later, there was an outpouring of grief and violence nation-wide. The mass protests and agitation in urban centers throughout the country were an expression of anger and disbelief that the nation that nurtured Gandhi and non-violence could harbor individuals like these. Far more egregious is the petty tyranny of low-level officials in rural areas and the title story in this collection is a reflection of that. The European Union is an unprecedented, brave and bold experiment by thirty-odd countries venturing into uncharted territory. Many economists have predicted that the experiment is doomed, and there is no shortage...
