Digital Photography: Digital Photography for Beginners (Paperback)

By Jack Thornton

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Wish You Could Take Pictures Like a Pro? Still Using Your Old 35MM? Like To Be Able To Point and Click? If You Answered YES to Any of Those Questions, it s Time to Take a Look at a Digital Camera! If you are still taking pictures with film you really are missing out on a whole new world of enjoyment. Ever since the advent of the tin type in the last century, people have been obsessed with taking pictures. Vacations, holidays and fun filled days with family and friends are all reasons to take pictures that will be enjoyed for years to come. Can you remember those Christmas mornings when you had to pose with your gift while Dad snapped a picture for posterity? Digital photography has eliminated many of the challenges faced by using conventional film. No longer do you have to worry about running out of film in the middle of a project. Nor is there a waiting period while film is developed. Digital cameras are generally lightweight and easy to carry. Every year they become smaller and more...
