BRAND NEW, Snapshots of Intellectual Life in Contemporary PR China, Arif Dirlik, "Snapshots of Intellectual Life in Contemporary PR China" discusses changes that have taken place in Chinese intellectual life over the past decade, the self-reflection that these changes have provoked among Chinese intellectuals, and the ways in which these changes have been received in the United States. Featuring essays by intellectuals from throughout Asia, this special issue of boundary 2 examines how China's changing economy creates both new problems and new opportunities. These essays explore contemporary discussions concerning education and culture as China aspires to create innovative world-class universities and new national universities.
