## BAHAMA BURNOUT: A MICK SEVER MYSTERY (HARDBACK)

Oceanview Publishing, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. The Heat is On For rock and roll writer Mick Sever, another story, another deadly island paradise is all in a day s work. This time, Mick heads to Nassau, Bahamas, home of the legendary Highland Studio. Known for pumping out hits that burn up the charts, Highland is where the magic happens--or rather, where the magic happened until a devastating fire destroyed the entire studio. No one knows how the fire started, who started it--or whose body was found among the charred ruins. Sent to get the inside story on the opening of the new Highland Studio, Mick finds this is hardly the Phoenix-rising-out-of-the-ashes story he expected. Some say the studio s haunted, some say it s cursed, but one thing is for sure: someone--or something--wants to stop the music. A smashed guitar and erased tracks send a subtle warning, but murder? That s an entirely different tune. If Mick doesn t act fast, Highland Studio, along with everything and everyone in its path, could go up in smoke. It s not always better to burn out than to fade away.
