

Birds of North Texas: A Guide to Common Notable Species

By Greg Lasley

Quick Reference Publishing, Inc, United States, 2010. Poster. Condition: New. Language: English . Brand New Book. Birds of North Texas is a 12-panel, folding, laminated, waterproof guide to the common and notable birds species of north Texas, including the Dallas and Fort Worth areas, south to about Waco and west toward Wichita Falls and other nearby areas. The guide is geared toward the beginning to intermediate bird watcher or nature observer and provides some of the basic information helpful to identify the 123 species covered. Each species is illustrated with a color photo, typically of a male, and contains basic information about the size of the bird, its habitat, identifying features and season to be expected. This handy guide will easily fit into a shirt pocket or glove compartment so you will always have the information with you.

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
