AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book should be read by every adult American, especially parents of school-aged children, and all those concerned about the reality of public education in the United States. It is a concise, quick and compelling read. Because of her unique perspectives from both inside and outside the classroom, Mrs. Hayden offers a very poignant and insightful comment on the American public education system, inspired by her disagreements with the conclusions drawn by Hillary Rodham Clinton in her own book, It Takes A Village: And Other Lessons Children Teach Us. In fact, Mrs. Hayden emphatically demonstrates that Mrs. Clinton s village is, and may have always been, non-existent. She asserts that we are all waiting for Superman, and that we wait to the detriment of our children, our future and the very fabric of our nation.
