Brand New Book ***** Print on Demand *****.Discover The Ultimate Step-By-Step Beginners Guide to Sell on eBay and Build a Successful Business Empire From Scratch and Live The Life Of Your Dreams Today!Back in the late 90s, at the beginning of the dot com bubble, a man named Pierre Omidyar founded an online platform called AuctionWeb. Back then it was kind of an online fair for collectors who bought and sold various items online via bidding and auction. But within a decade, ActionWeb transformed itself, rebranded as eBay and become the Giant multi-billion dollar e-commerce site where literally anyone, from 20-year-old college kid to 40-year-old mums can sell any kinds of goods online. eBay soon became THE platform for professional online retailers worldwide spanning its operations in more than 30 countries. For the past two decades, millions of people are using eBay to earn some extra cash or to sell unused items which could be useful to others who are looking for it. There are people whose first introduction to eBay happened when they were clearing their room and found old vinyl LP records and when they used eBay to sell them, they found out it was worth more than \$500! You would be amazed to know that how much an old He-man action figure is worth on eBay, or those PokÃ mon cards that you once used to collect but totally forgot about it. Some vintage collectors' items are worth \$1000-\$20000 now and if you own such rare items, thousands of dollars are just few mouse clicks away! But all of these are just the tip of a huge iceberg. This is what people do when they want to sell second-hand items online. But eBay can...
