Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Options Trading Made Easy Do you have all your money sitting in a savings account earning almost zero interest? Are you concerned about investing in the stock market because of uncertainty? Or are you a seasoned investor who wants to hone his skills and become even more successful? Or maybe you re just a total newbie who doesn t know what the word Options even means when it comes to investing. If you are in any of those categories, you ve come to the right place. Options provide a great way for an investor to make money in the market no matter what the market conditions are. Bull market? Bear market? Stagnant market? There s a way you can profit from each of these through options trading. You can also avoid the hassles, costs, and requirements of tricky situations like margin accounts and margin calls. This book takes you through the basics of options trading and investment (both in general and options specific) including trading strategies, types of options, choosing a broker, developing an investment strategy and more. Whether you are motivated by the prospects of building a solid nest egg for your retirement, quitting your 9 to 5 day job to pursue your passion, or just having some additional disposable income for travel and other needs, the strategies in this book are designed to get you there without wasting your time. There is no fluff in this book- just pure profit. After reading this book, here is what you will discover. An overview of how Options Trading actually works and exactly what it entails. Indispensable information for both a beginner and a seasoned trader!A simple breakdown of all...
