Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Something magical sets apart those of us who dream of an overseas life, working to make it a reality and those who remain content to stay in their home country. Not to imply that one group is superior to the other, but the curiosity of far off places has been a strong influence on my life and I became determined to follow that curiosity to fruition. The dream of living and working overseas is held by many but experienced by only a few; the excitement of following one s profession in some exotic foreign land is certainly a strong lure for many people. There is the issue of adjustment is to life in a foreign country, but what about when they come home? This is often the most difficult adjustment to make yet is greatly misunderstood and ignored by many overseas enthusiasts as well as the companies that send them to these exotic lands. My curiosity and lack of contentment to stay home burned strongly in my soul. I was one of the lucky ones. I made for myself the opportunities to live overseas for thirty years. I felt comfortably at home in my adopted country, but I began to feel a stranger during short return trips to the USA, comfortable only in the knowledge that soon I would return to my safe haven overseas. I even had a feeling of superiority, knowing that I did not have to stay here and soon would be winging my way across the South Atlantic Ocean to my seaside refuge at the tip of South Africa where the two oceans meet. This book The Return describes my life abroad and the difficulties when...
