## THE VEINS OF THE OCEAN (PAPERBACK)

Grove Press / Atlantic Monthly Press, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Winner of the Dayton Literary Peace Prize A San Francisco Chronicle Best Book of the Year, A New York Times Editors Choice and a finalist for the International Latino Book Award Lush and entrancing, steeped in love and sorrow, faith and myth. . . Patricia Engel is a gorgeous writer and I love the confidence of her prose. She knows the story she is telling, inside and out. She knows the story and its unfathomable depths and so that s how we experience reading this novel--fully, deeply, like an ocean. --Roxane Gay for Book of the Month Club From award-winning author, Patricia Engel, *The Veins of the Ocean* is the profound and riveting story of a young woman s journey away from her family s painful past towards redemption and a freer future. Set in the vibrant coastal communities of Miami, the Florida Keys, Havana, and Cartagena, *The Veins of the Ocean* is a wrenching exploration of what happens when life tests the limits of compassion, and a stunning and unforgettable portrait of fractured lives finding solace in the beauty and power of the natural world, and in one another. [A] profound, daring venture . . . [Engel is] a unique and necessary voice for the Americas . . . the book is a great pleasure to read, even while it s breaking your heart. --San Francisco Chronicle Sumptuous . . . This is a writer who understands that exile can be as much an emotional state as a geographical one . . . to immerse oneself in Engel s prose is to surrender to a seductive embrace, a hypnotic beauty that mingles submersion with submission. --New York Times Book Review.
