Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Syllabus for the People: A Review of the Propositions Condemned by His Holiness Pope Pius IX., With d104 of the Condemned List To explain-from proper sources and in as easy a shape as possible, the sense wherein the condemnations were intended to be made, is the object of my present essay. To do this, I shall first give the Syllabus translated In full; next I shall say a word or two on what are called the minor censures, etc., so as to convey an idea Of what the Church means to do when she stamps a proposition with such or such a theo logical censure; and shall then pass to review the syllabus In detail. Ignorance of its nature, caused by the most violent misrepresentation, has raised a storm against it in the public mind of our country; but nine-tenths of the condemnations it contains wo be as heartily subscribed to by Protestants as Catholics.
