GUARDIANS AT THE GATE (PAPERBACK)

Ray Dacolias, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Margaret C. Carbuncle is the principal at Amethyst Elementary. She has an insatiable appetite for power and soon becomes a tyrant; she also develops a desire for prestige and glory, and she knows the only way to attain this is through high test scores for her elementary school. Therefore, she drives her Teachers into a frenzy as she demands that they instruct only those subjects that will be included on the all-important, all-consuming state examination. She is ruthless in her desire to achieve her lofty goals. She happily destroys the lives of anyone who gets in her way. And then one day, two small visitors come for Carbuncle and attempt to teach her a real lesson in civility and charity and give her a chance to repent for all she has done to the inhabitants of the school. Will Carbuncle reform? If she reforms, will she fight for the Teachers? If she refuses, what will be the consequences? And what is the Secret? Public schools are an easy target for anyone who has a yellow pen or a high position in society or politics and who decries...
