Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

DANSVILLE HISTORICAL, BIOGRAPHICAL, DESCRIPTIVE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Dansville Historical, Biographical, Descriptive This valley and Dansville are indissolubly joined in history as in tradition, to a race Of men Whose deeds have linked with every glen And every hill and every stream The romance of some warrior s dream. The imperial tradition of the Iroquois fills the place with romantic interest before our annals begin. And is the history of the white man here, which I have essayed to portray, less noble than that of the Romans of the West? It may not clearly appear upon the face of the History herein written, but for those who read between the lines there will be resurrected from its pages many noble men and women who wrested homes from a wilderness of savage beasts and more savage men, often at the peril and cost of their own lives, that others might live and prosper. There will be recalled lives illustrating and illuminating the highest practice of the principles of Christian civilization, under whose influence the Dansville of the white man is as far beyond the village of the Ganosgagos as civilization is in advance of barbarism and Christianity above paganism. I cannot deny and I would not conceal the fact that Dansville has had its seamy side throughout its more than a century of life. In the quest for historical material there have been unearthed many tragedies and sorrows under the shadowy power of wrong, and many misfortunes; but I confidently affirm that from the gusty days of the early canal period, when a grasping commercial spirit seemed to predominate and recklessness kept pace with it, until the steadier period of the present when our churches and our schools are better...
