Money: How the Destruction of the Dollar Threatens the Global Economy-- And What We Can Do about It

By Steve Forbes

McGraw-Hill Education on Brilliance Audio, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Why a return to sound money is our only hope for a true recovery and a healthy global economy Few topics are as misunderstood today as the subject of money. Since the U.S. abandoned a gold-linked dollar more than four decades ago, the world's governments have slid into a dangerous ignorance of the fundamental monetary principles that guided the world's most successful economies for centuries. Today's wrong-headed monetary policies are now setting the stage for a new global economic and social catastrophe that could rival the recent financial crisis and even the horrors of the 1930s. Coauthored by Steve Forbes, one of the world's leading experts on finance, Money shows you why that doesn't need to happen and how to prevent it. After hearing this entertaining and hugely well-informed audiobook, you will know more about money than most people in the highest government positions today. Money explains why a return to sound money is absolutely essential if the U.S. and other nations are ever to overcome today's problems. Stable money, Steve Forbes and Elizabeth Ames argue, is the only way to...
