*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## THE ADVENTURES OF THE SUPER COUSINS (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a funny book which explores the imaginations of two young girl cousins. The girls are looking for excitement and challenge out of life. They go to Grandpa and Grandma for suggestions. Grandpa readily helps the girls by using magic words to become Super Cousins. Grandma (Gramberta) guides the girls as well. During their adventures, they try to become inventors, writers, architects, business people and foodies. Many of these attempts are in their guise as Super Cousins. They don't quite see the humor but their dialogue is hilarious and is targeted for 6-11 year old children, parents, grandparents and anyone who likes something different, fun and magical.
