Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

HarperCollins Publishers Inc, United States, 2002. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Jerry Broadfield thinks he s a good cop. But he s been charged with extortion - and his former buddies in the NYPD would like to see him laid bare out on a morgue slab for squealing to a committee on police corruption. And when a dead hooker turns up in his apartment, he s saddled with a murder rap as well. Broadfield screams frame-up and nobody believes him - except ex-policeman-turned-p.i. Matthew Scudder. But finding a killer among the stoolie-cop s sleazebag connections is going to be as difficult as finding a cold beer in Hell - which is where Scudder is headed if he sticks his nose in too deep.
