*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

AXLE S BRAND (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fate is just a made-up word used to give us hope or absolution. We find hope when we believe bad things happen to us for a reason. We find absolution when we feel as though the wrongs of our past were just fate s twisted design to bring us to our present, and all of it was out of our hands. Of course, I sort of change my mind after meeting Axle. The man with scars and haunted, cold eyes. The man who only warms when he is around me. The first man I believe won t cost me my life. The first man I ve ever believed to actually be honorable, despite the fact he s a ruthless criminal. Only the craziest of fates could have put us in the paths of each other. More of a collision course, really. Life gets complicated. Shit happens. And I sort of fall harder than I thought possible. The first time we met, I was in my pajamas and cowering on the floorboard of his SUV, hiding from my very insane brother. Lovely first impression, I assure you. The second time we met, I was literally skating around a bunch of corpses, because I m slightly crazy like that. Long story. Obviously my second impression had just as much impact as my first. Because he fell head-over-heels in love with me in that instant. Kidding. That last part is complete bullshit. Axle is far more complicated than insta-love nonsense. Which is one of my favorite things about him. Everything about us is perfectly complicated and wonderfully disastrous. It s what every girl dreams of.as long as they re as crazy as I am....
