Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
(Pasquale Larkin I)*

THE BRITISH POETS, VOL. 2: INCLUDING TRANSLATIONS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The British Poets, Vol. 2: Including Translations Without the gods, how short a period stands The proudest monument of mortal hands! This stood while Hector and Achilles raged, While sacred Troy the warring hosts engaged; But when her sons were slain, her city burn d, And what survived of Greece to Greece return d; Then Neptune and Apollo shook the shore, Then Ida s summits pour d their watery store; Rhesus and Rhodius then unite their rills, Caresus roaring down the stony hills, AEsepus, Granicus, with mingled force, And Nanthus foaming from his fruitful source; And gulfy Simois, rolling to the main Helmets, and shields, and godlike heroes slain: These, turn d by Ph bus from their wonted ways, Deluged the rampire nine continual days; The weight of waters saps the yielding wall, And to the sea the floating bulwarks fall. Incessant cataracts the thunderer pours, And half the skies descend in sluicy showers. The god of ocean, marching stern before, With his huge trident wounds the trembling shore, Vast stones and piles from their foundation heaves, And whelms the smoky ruin in the waves. Now smooth d with sand, and level d by the flood, No fragment tells where once the wonder stood; In their old bounds the rivers roll again, Shine twixt the hills, or wander o er the plain. But this the gods in later times perform; As yet the bulwark stood, and braved the storm; The strokes yet echoed of contending powers; War thunder d at the gates, and blood distain d the towers.
