MASTER AND MAN

Classic Collection, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Tolstoy is known primarily for his epic novels like War and Peace and Anna Karenina, but he also wrote a number of excellent short pieces that carry the same kind of themes on a much smaller scale. Two of the best are Master and Man and The Death of Ivan Ilych. In Master and Man, a land owner named Vasili Andreevich Brekhunov takes along one of his peasants, Nikita, for a short journey to the house of the owner of a forest. He is impatient and wishes to get to the town more quickly to purchase the forest before other contenders can get there. They find themselves in the middle of a blizzard, but the master in his avarice wishes to press on. They eventually get lost off the road and they try to camp. The master s peasant soon finds himself suffering from hypothermia. The master attains a spiritual and moral revelation, and Tolstoy once again repeats one of his famous themes: that the only true happiness in life is found by living for others as the master acts in a way he never thought was possible. The book was translated by Louise and Aylmer Maude.
