Outskirts Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Out Of The Darkness; Behold A Light is an incredible true story of survival and redemption. A young girl s life has gone terribly wrong; infused with sexual degradation and humiliation. At age 14, she ran away from home. It all started with the betrayal of her stepfather and upbringing, in which she came from a lower middle-class neighborhood. She became a drug addict and a prostitute being introduced to a life of crime and going down a long dark road of complete destruction; in which she had lost all hope and could see no way out. Many traveled that same road, sometime before her, and some to the point of no return! But, they all had one thing in common: They were lost, in need of a Savior, and living in darkness because they were asleep in an unconscious state of mind. God truly can break the chains of addiction, trauma, and brokenness. This is my story of how with God, all things are possible!.
