GRIFFIN, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In Toxic Talk, Bill Press exposed the ways in which the extreme right-wing media has done an end run around the American voting populace by exerting a disproportionate control over open political debate. In The Obama Hate Machine, Press returns to show how the Right has taken rhetoric to slanderous new levels in attacking the nation's forty-fourth president. But presidents have always been attacked like this, right? Wrong. As the author shows, while presidents and presidential candidates routinely have been subject to personal attacks, the outright disdain Obama's extremist opponents have for the facts has inspired an insidious brand of character assassination unique in contemporary politics. In his characteristic on-the-mark arguments sure to appeal to anyone on the Left or in the Center, Press shows how the peculiar nature of Obama-hating subverts issue-driven debate and threatens not only the outcome of the 2012 election but the future of the...
