### **Reviews**

*A high quality book and also the font employed was intriguing to read. I was able to comprehend every thing out of this created e book. You wont really feel monotony at whenever you want of the time (that's what catalogues are for concerning should you check with me).  
(Prof. Johnson Cole Sr.)*

**BEING THERE: NEW PERSPECTIVES ON PHENOMENOLOGY AND THE ANALYSIS OF CULTURE  
(PAPERBACK)****DOWNLOAD**

Nordic Academic Press, Sweden, 2010. Paperback. Condition: New. 2nd Second Edition, Second ed.. Language: English . Brand New Book. A group of ethnologists and anthropologists demonstrate creative ways of relating phenomenology to the study of culture. In a detailed introduction the reader is given an overview of how perspectives like being and life-world can be applied to studies of everyday life. The historical background as well as the value of fieldwork and the importance of simply being there are also presented. Seven scholars write-about diaspora, multiculturalism, xenophobia, and violence; about Nordic theme parks, European regionalism, and the celebration of national holidays. Experience, body, emotions, place, action and material culture are key concepts in this book. The authors show how culture can be understood from how it happens , more than what it is , how the world became filled with meanings rather than interpretations. The book is intended for a broad spectrum of readers within the fields of cultural and behavioural sciences. Contributors include Nils Gilje, professor of philosophy and cultural studies, Michael Jackson, renowned professor of anthropology, and Jonas Frykman, professor of ethnology.
