

Health, Disease, Medicine and Famine in Ethiopia: A Bibliography (Hardback)

By -

ABC-CLIO, United States, 1991. Hardback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. Kloos and Zein s excellent bibliography provides a thorough guide to an amazing amount of information. With 4,614 entries, it is more than twice the size of the earlier version. Its scope includes infectious and noninfectious diseases, physical trauma, mental health, health services, maternal and child health, nutrition, and famine, including resettlement and refugees. The works are well selected, including both standard publications and less well known Ethiopian and Italian works. The broad scope makes the work useful for medical workers as well as those engaged in social or cultural research. Choice This bibliography provides the most up-to-date and comprehensive listing of published and unpublished works on health and disease in Ethiopia for the period 1940-1990. It brings together in one volume more than 4,000 citations for writings in all areas of health and disease, many of which have not been previously cited in the English-language literature on the subject. The volume s ten chapters are divided into subsections that classify major disease groups and health problems. The bibliographic entries are organized alphabetically within each chapter. Further subdivisions of the topics, including...
