

## Revise for MEI Structured Mathematics: v. M2

By Pat Bryden

Hodder Education. Paperback. Book Condition: new. BRAND NEW, Revise for MEI Structured Mathematics: v. M2, Pat Bryden, Revise for MEI Structured Mathematics has been written by experienced authors and examiners especially for A Level Mathematics students and provides ideal preparation for the exam. The series accompanies the MEI Structured Mathematics Student's Books, with this title supporting Mechanics 2. The full content of the M2 module is covered. Each topic is put into context in terms of its general application and its links to other modules in the course. The book also contains handy reminders about related topics which have been covered previously, and worked solutions guide students through all the necessary steps in solving typical questions. 'Key facts' summarise the essential points to remember and there is guidance on how to avoid the most common exam pitfalls. This revision guide also comes with access to a website featuring interactive multiple choice questions for every topic with diagnostic answers which identify weaknesses and common errors. Our unique Personal Tutor technology also provides hundreds of audio-visual worked examples of exam-style questions showing exactly how to tackle each question type, helping students revise and consolidate their learning.
