

## Thriving in 24/7: Six Strategies for Taming the New World of Work

Filesize: 4.12 MB

### **Reviews**

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Michael Spinka)*

**THRIVING IN 24/7: SIX STRATEGIES FOR TAMING THE NEW WORLD OF WORK****DOWNLOAD**

Free Press, 2001. Hardcover with dust jacket. Book Condition: BRAND NEW. Sally Helgesen's *Thriving in 24/7* does a remarkable job of illuminating the ways the workplace has infringed upon our lives. She uses the pop-speak phrase 24/7 to symbolise the transformation of our sense of time through technology and the blurring of boundaries between work and home. Helgesen details changes including the shift from an industrial economy to a "knowledge economy", the technology that has spawned a sleepless business culture, the leaner organisations with longer job descriptions and the domestic drama of over-scheduled children and over-managed health care and finances. The result, warns Helgesen, is not that time is getting away from us, or that work intrudes upon leisure but that "we have forfeited ways of being that are fundamental to us as humans". Yet Helgesen doesn't simply describe the challenges to our public and private lives, she also offers six smart strategies for pursuing what she calls "elegance and simplicity in all our decisions and taking advantage of--or resisting--what technology has wrought". Her fresh ideas include a new approach to networking through "building a web of inclusion", learning to "zigzag" by charting an individual path of development and building a personal brand that expresses core values. Helgesen's artful balance of observations and suggestions creates an insightful and practical guide in a rock-around-the-clock world. --Barbara Mackoff Dr. Stephen R. Covey, author of *The 7 Habits of Highly Effective People* This book offers realistic strategies and proven principles that will not only help you find more time, but will teach you how to spend it on what matters most. --This text refers to an out of print or unavailable edition of this title. 258 pages.
