

## Foreshadows (Hardback)

By Sharon Harp Gregory

AUTHORHOUSE, United States, 2013. Hardback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. What if our ancestors were far different than they have been depicted for several generations? What if they were of exquisite beauty and extreme intelligence, using one hundred percent of their brains? What if they traveled into space before the flood of Noah and had abilities we can only dream of. What if they had an extra sense that has been lost to mankind, and had the ability to levitate objects of ominous proportions? What if there were giants on the earth, and angels with extraordinary powers living on the earth before the flood? What would life have been like then? It was said by Jesus in Matthew 24:38-39 that they would be like the days just before His final return. Foreshadows presents a picture of what life could have been like if all these things were true, and possibly what our present day world may be facing.
