

## Hitchhiking Across America: A Ghostly Unedited True Story of One Man s Pioneered Existence Traversing the Country from Coast to Coast !!! (Paperback)

Filesize: 2.07 MB

### **Reviews**

*It is an awesome book that we have possibly go through. It is actually writer in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Hitchhiking Across America: A Ghostly Unedited True Story of One Man s Pioneered Existence Traversing the Country from Coast to Coast When Doug Van Gorder took a road trip across the United States, he didn t go because he was bored one summer or because he wanted to see the sights--he went to save his life. Fighting addiction, post-traumatic stress disorder, and homelessness, Van Gorder considered committing suicide. But with hope and determination, he recaptured life instead. In Hitchhiking Across America, he teaches readers about a skill that s gone mostly by the wayside. More than that, he offers a true story of discovery, about country and self, which allowed him to once again live to love and love to live. Others living with trauma may use this memoir as a road map out of despair, finding their own way back to what once was--and finding it better than they remembered.
