Charlesbridge Publishing,U.S., United States, 2015. Board book. Book Condition: New. 150 x 140 mm. Language: English . Brand New Book. Featuring spectacular images straight from the vaults of the National Wildlife Federation, these should be the very first books to introduce children to animals from around the world. Every photo shows these creatures in their natural habitats. Each books in the series carries the logo and name of the National Wildlife Federation. These are not just board books, but the first books that any toddler will love and adults will enjoy reading. Each full page spread is a story by itself. See the lions arguing but the walrus can t bear to watch. The baby sea lion wants to play and the organgutan wants to play too. The chipmunk tells the polar bear to stop, and the polar bear does. Fantastic photos of wildlife combined with funny comments to make these a new kind of board book.
