Brand New Book ***** Print on Demand *****.A novella that may alternatively be titled Solipsism. For whatever reason, 20th century masterpieces all end with es: Ulysses, Ficciones, Hidden Fortress. One of Shakespeare s hidden ironies: childless Macbeth should have no reason to fear Banquo. This is almost as crippling as Horatio saying of having seen the king once and, then, that he knew him-these hands are not more like: slapdash conglomeration by Shakespeare. Israel, the star of David, again begging for money from the US without which it could not be a nation. These jews are self-sufficient all right and remain so now as always a client state. These christians do not so much reread the gospels at the time of J. s who never existed birthday but gift each other. One may wrongly despise Trudeau for not enacting the euthanasia decision and promised cannabis laws. allah-jesus-atma has so devised it that whatever is really pleasurable to put into one s body is bad for his health. My hat off to them.
