Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Air Force Doctrine Document (AFDD) 2-0, Global Integrated Intelligence, Surveillance, and Reconnaissance (ISR) Operations, is the Air Force s keystone doctrinal publication on global integrated ISR and defines how the Service plans and conducts these operations to enable Joint Operations. It compiles the best practices of how an Airman conducts and employs ISR capabilities and why global integrated ISR is unique. The three chapters define global integrated ISR, the command relationships and authorities that enable it, and how these operations are planned and conducted. Chapter One, Fundamentals of Global Integrated ISR Operations, describes global integrated ISR, answering What is global integrated ISR? and how it is implemented to support the Air Force and its missions? It focuses on: the definition of global integrated ISR; the Airman s perspective; global integrated ISR as a service core function (SCF); basic global integrated ISR principles; and policy and guidance for global integrated ISR operations. It also outlines how cross-domain integration and global integrated ISR are linked. Finally, it introduces the Air Force process of planning and direction, collection, processing and exploitation, analysis and production, and dissemination (PCPAD). Chapter Two, Command and Organization of Global Integrated ISR Forces, discusses the command and organization of Air Force global integrated ISR forces. It discusses the roles of commanders in regards to the planning and execution of global integrated ISR operations. It outlines the roles and responsibilities of global integrated ISR linked personnel within and outside of the ISR Division of the Air Operations Center (AOC). It discusses global integrated ISR presentation of forces considerations and guidance to include remote and distributed operations. It provides an overview of the roles of global integrated ISR associated personnel within...
