

The History, Pathology, and Treatment of Puerperal Fever and Crural Phlebitis (Classic Reprint)

Filesize: 1.48 MB

Reviews

An extremely wonderful publication with lucid and perfect reasons. It typically will not expense too much. You are going to like the way the blogger compose this publication.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The History, Pathology, and Treatment of Puerperal Fever and Crural Phlebitis Much has been written of late years on the subject child bed fever, whereby a great light has been shed upon the pathological features of several disorders heretofore designated under this title. These disorders are inflammation of the substance of the womb; inflammation of the veins of the womb; inflammation of the absorbents of the same organ; and lastly, inflammation of the peritoneum: or several of these affections conjoined and grouped in the same subject. One of the most general and comprehensive terms is puerperal fever; a name said to have been first bestowed upon these affections by Dr. Edward Strother, an English writer, in his *Critical Essay on Fevers, with the Diagnostics and Methods of Cure*, 1 vol. Svo. Loud. 1716. Strother wrote in the somewhat quaint style of his age; and, as his name has been often cited by authors upon the subject under consideration, I shall here quote the principal part of what he has left us upon the topic. Puerperal fevers, are shew'd poor females are often staid upon. They are generally inflammatory from the inflammation of the uterus, which arises from the suppression of the lochia. Custom has prevail'd among the ignorant and obstinate midwives to allow the laborants chickens, and such diet as they pretend cannot prejudice them; to rise out of bed three days after their labour, and to take some turns across the chamber; from whence I have seen the lochia stopt or lessened, and thence deliria or dangerous fevers; and yet tis easy to prevent these, if the...
