

New Directions in Global Economic Governance: Managing Globalisation in the T.

By Kirton, Professor John J.

Ashgate Publishing Limited. Hardcover. Book Condition: New. Dust Jacket Condition: No Dust Jacket. First Edition. Available Now. Book Description: This volume takes as its starting point the changing international economic order as a whole and the efforts by a wide range of actors to determine the content and impact of the G8's agenda. It gives central attention to finance, but also looks at the international trade system and the digital economy. The book explores new directions in the global economy and its governance by directly addressing the major transformational forces currently at work. It also looks at the question of international order and the broad array of international institutions that are competing and co-operating to shape it in ways that respond to the needs of the international community in the 21st century. Size: 2.5 x 15.9 x 22.2 cm. 392 pages. Multiple copies available this title. Quantity Available: 3. Category: Business, Finance & Marketing; Accounting. Inventory No: B195-1069.
