GO WHISPER (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you Parent on Purpose? There are a lot of things we do on purpose, why don t we make Parenting one of them. It s the mission of Go Whisper to build the family, build the home, and win the battle of controlling what we say to and around our children by the process of Go Whispering. Go Whisper will help increase the confidence, self-image and self-worth of your children as it has mine. Your Children are the future; don t cripple them. Love, Empower and believe in them enough to commit to this simple act of Go Whispering which will increase their confidence and sense of self. Let s put a stop to bullying. Let s train our children better from the start. Remember, what you put in or lack there of in their early years is what they will duplicate. Our children did not ask to be born so we can t confuse our basic responsibility of being a parent with that of Parenting on Purpose (going above and beyond to love and empower your children not just in words but in action). Go Whisper is timely and will help you build a positive affirmation structure that will leave you breathless once your child grabs hold of Go Whispering. What would you do if your child whispered in your ear, I love you, I m proud of you and I believe in you!?! (If you did it, they will duplicate it.) Order your copy of Go Whisper now. And don t forget to share your testimony with us.
