To get **The Serapis Fraktur: The Conglomerate Series** PDF, you should access the web link listed below and download the ebook or get access to additional information which are highly relevant to THE SERAPIS FRAKTUR: THE CONGLOMERATE SERIES book.

Spitfire Publishing LLC. Paperback. Condition: New. 316 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. SYNOPSIS: Time travel is big business in the 25th century. Artifacts from the past are salvaged and people are extracted. Interestingly, the entrepreneurial development of the recovery process leads to a massive archaeological expansion on a scale that dwarfs The Smithsonian and provides for colonial expansion across the galaxy. Australia is the new Ellis Island. MORE: Written in the first person, this is a PG-rated adventure story extolling the basic virtues, like accountability, honor, integrity, and fidelity. What this work lacks in titillation it makes up for in historical color like Connie Willis, entrepreneurial development like Nathan Lowell, and futuristic wonderment like Edgar Rice Burroughs. Most readers will find this book acceptable for ages from teen to centurion and all should be delighted to learn that the Dawes polyverse is not apocalyptic. In fact Earth is reborn: millions of bison once again roam the prairie and old-growth forests blanket the east coast. The future is Utopian. NOTE to Librarians: LCN 2013902944. NOTE to Parents: Although this story was written for adults, kids as young as 11 have given it a thumbs up. All characters are adult. Some secondhand action, good vs. evil scenario, suitable for YA: no sex, no F-word, no smoking, no drugs, mild violence, PG-14 for adult language. Strong emphasis on accountability, responsibility, honor, trust, integrity, fidelity, loyalty, valor, etc. Hard and speculative science, real history with famous real historical figures in a dramatized far future adventurous plot. Think, John Carter of Mars. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
