

An Introduction to Surgery (Classic Reprint) (Paperback)

Filesize: 3.65 MB

Reviews

If you need to adding benefit, a must buy book. It is really simplified but excitement from the 50 percent of your book. I discovered this book from my dad and i recommended this book to understand.
(Dorothy Sawayn)

AN INTRODUCTION TO SURGERY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Excerpt from An Introduction to Surgery The excellent surgical textbooks now available for the use of students have given rise to some doubts as to the need for any further instruction by means of systematic surgical lectures. My own View is decidedly in favour of a course of lectures, provided that they are not mere abstracts from the textbooks, but are directed rather towards those main principles of diagnosis and treatment that are based on a sound knowledge of pathology. They should be aids to the student in thinking out for himself those pathological and diagnostic problems that are presented to him in the wards and in the textbooks. In order to do this, he must study these General Principles and understand the value of their universal application in so-called special regions, that is, to diseases affect ing any portion of the body. As soon as the General Principles are understood, and their applicability realized, the student ceases to be overwhelmed by the masses of detail presented to him, and begins to feel an interest in subjects which before seemed surrounded by insurmountable difficulties. It has been the chief object of my own lectures, of which the present book is an abstract, to emphasize the importance of these General Principles, and the fragmentary and dogmatic character of the teaching is due to the fact that my only intention is to provide a supplement to, not a substitute for, the standard textbooks. So many students and friends have begged me to publish my views on Surgery, that I have been encouraged to express them in this form....
