

Work and Win: Noddy Newman on a Cruise (Paperback)

By Oliver Optic

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.IN the preparation of this volume, the author has had in his mind the intention to delineate the progress of a boy whose education had been neglected, and whose moral attributes were of the lowest order, from vice and indifference to the development of a high moral and religious principle in the heart, which is the rule and guide of a pure and true life. The incidents which make up the story are introduced to illustrate the moral status of the youth, at the beginning, and to develop the influences from which proceeded a gentle and Christian character. Mollie, the captain s daughter, whose simple purity of life, whose filial devotion to an erring parent, and whose trusting faith in the hour of adversity, won the love and respect of Noddy, was not the least of these influences. If the writer has not moralized, it was because the true life, seen with the living eye, is better than any precept, however skilfully it may be dressed by the rhetorical genius of the moralist.
