Diagnosis and Surgical Treatment of Abdominal Tumors (Classic Reprint) (Hardback)

By Spencer Wells

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Diagnosis and Surgical Treatment of Abdominal Tumors But there is one fact which stands out with ominous significance in all these records. Whatever may be our diagnostic, accuracy and our Operative skill, our success in the treatment of these diseases is fatally restricted by the influence of septicaemia. We have already reached as great an amount of success in the results of ovariectomy as can reasonably be hoped for, and shall in like manner approach such success in the results of the extirpation of other organs. But until we find some more certain protection for our patients against the ravages of septicemia than any antiseptic precautions hitherto taken secure, abdominal surgery, though not without just claim to the credit of having done good service to humanity, must still be looked upon as a branch of our science and art which, still imperfect, calls for continued search for truth, and for constant efforts to improve methods of practice, from every surgical student.
