Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Boomers have learned a great deal during their careers and have developed expertise in more areas than many may realize. Their expertise can prove to be a valuable asset in creating the foundation of a home-based business. It might be in the area of computer software, accounting, education, writing, computer hardware, landscaping, desktop publishing, marketing, people management, or in many other home-based business oriented fields. 40 Great Home Businesses Ideas For Baby Boomers offers them several exciting opportunities to get started. The startup options that are featured in the book will encourage them to get creative in terms of thinking about what they would enjoy doing. Although starting up a home business can be a daunting task, it doesn't have to be. Yes, it will be challenging, but it can also be fun and can reward boomer financially beyond their wildest expectations. Each of the forty business profiles are organized in a concise, informative way to help them quickly get a realistic perspective of the nature of the business, what it involves, and financially, what it offers. As they review the startup profiles, they'll be able to weigh the pros and cons of the business to help determine which one is right for them. At the end of each profile, they will find helpful references to books, organizations, associations, publications, training programs, and websites that provide them with additional relevant information they may need to take the next step.
