Nobrow Press. Hardcover. Condition: New. 60 pages. Dimensions: 9.7in. x 6.9in. x 0.5in. Inspired by the late, great Georges Perec, who is famous for writing a book whose sole subject was the letter E, illustrator Katja Spitzer and freelance writer Sebastian Gievert teamed up to tackle the letter Q. Katja explains that in the German language, as in English, Q is a rather peculiar letter. One of the rarest in the German language, Q is only given a fleeting position in the Brockhaus Lexicon (an equivalent to our Encyclopaedia Britannica), a mere forty-five pages of Q words, falling somewhere in the middle of a volume entitled PESRAC, in spite of granting an individual volume to every other letter in the alphabet. Feeling that the letter was given undue negligence, Katja took it upon herself to create the missing Q volume of the lexicon and thus Quodlibet was born. Translated from the German, this edition contains several new Q letter entries to replace those from the original text that didn't have direct English language equivalents. Quodlibet covers everything from famous Grindhouse movie directors, to obscure eighteenth century dances, to nature's marvels and ancient Chinese mythological beasts, each illustrated with mastery in four unique spot colors. Katja Spitzer is a freelance illustrator in Berlin, Germany. Quodlibet, her final major project at the Academy of Visual Arts Leipzig, won her the prestigious 3 x 3 Illustration Gold Medal in 2010. Sebastian Gievert is a freelance writer and journalist based in Berlin, Germany. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
