BLACKED OUT: RELIGION RACISM: HOW PEOPLE OF COLOR WERE REMOVED FROM THE PAGES OF BIBLICAL HISTORY (PAPERBACK)

Pleasant Plant, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Blacked Out: Religion Racism How People of Color Were Removed From The Pages of Biblical History Many people of color have been raised with biblical concepts as the primary direction for how they live their lives. The bible as it is taught today leaves people of color with a large void in their spiritual development. Most biblical teachings are consistently taught with color bias. Many people have been programmed to automatically believe that this color bias does not matter. One cannot under estimate the effect on a person s psyche when there is a belief that the book of all mankind has left them out. This book goes into factual details of how people of color were removed from all biblical literature. This book also answers the ever elusive question of why people of color were forced into slavery. The link between the recent skin bleaching phenomenon and color biased teaching is also explored within this writing. This book is a must have for anyone, regardless of ethnic background, who wants to accurately study and direct their families using the teachings of the Holy Bible.
