So when local bar-fly Jim McQuilter sees John Burns face down in the river, he has a fair idea that he isn't swimming. A police investigation into the murder of a well-known local businessman comes up against a web of dark secrets and deep-rooted alliances. But with the arrival of the Dublin Superintendent and his team, the real stories begin to emerge. In Dunsheerin, there are old scores and bitter grudges to be settled, not only amongst the villagers, but amongst the police themselves. ; - Englisch.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
