Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Studies in General Physiology, Vol. 15 I should not have had the courage to offer these volumes to the public, had not requests repeatedly come to me from physicians and biologists to render my publications, which are widely scattered, more easily accessible. Therefore, when the editor of the Decennial Publications of the University of Chicago invited me to make a contribution to the series, I mentioned to him, not without hesitation, the idea of collecting and republishing my papers on General Physiology. Through his initiative and kind assistance the idea has been carried out. No one will expect that a collection of papers on very diverse subjects can form attractive reading matter. Yet I may mention, by way of an apology, that, in spite of the diversity of topics, a single leading idea permeates all the papers of this collection, namely, that it is possible to get the Life-phenomena under our control, and that such a control and nothing else is the aim of biology. Thus the reader will notice that in a series of...
