THE END OF RELIGION!?: THE NEW AGE REFORMATION

DOWNLOAD

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 198 x 124 mm. Language: English Brand New Book ***** Print on Demand *****.The problems of faith, religion, and God bothered me. I have seen wars start, marriages end, teenagers commit suicide, parents die, and one of my friends overdose. I have watched as murderers have walked free, children are beaten, and as clergy are unmasked as pedophiles. Considering the world we live in, could there really be a God? I began to study all of the world's major religions from Evolution to Buddhism to Satanism to Catholicism, with the hope of finding meaning within reason, of finding the truth. Through interviews, rationality, commonsense, and study I began to see the world unfold to me as it really is. This book is the compilation of the notes that led me to a new beginning through the End of Religion.
