Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

OUTLINE STUDIES IN THE NEW TESTAMENT FOR BIBLE TEACHERS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is no book in the world which repays earnest study so abundantly as the Holy Bible. Even the cursory reader who possesses a candid mind can gather many precious thoughts from its pages; and he who turns to it for guidance in life, however ignorant he may be, will never be led astray. But as the precious metal lies hidden in the mountains, and must be sought out by the miners, so the treasures in the Word of Life are found only by those who search diligently for them. He who not only reads but studies the Scriptures finds an abundant reward. There is need in our age of searchers in the Bible, who shall bring out of its treasure-house things new and old.
